# Welcome to the 15<sup>th</sup> Annual ARC Comedy Night!!

## **CELEBRATING 54 YEARS OF SERVICE TO OUR COMMUNITY**

The Addiction Referral Center (ARC) was founded in 1972 when a small group of recovering alcoholics created a supportive environment that worked for them in their pursuit of sobriety. Securing a gathering place to share their experience, strength, and hope, members began to reach out to fellow alcoholics and their families with the goal of helping them regain independence and self-sufficiency. Today, the ARC services have expanded to host AA, NA, Gamblers Anonymous, and Al-Anon meetings. Through a peer-supported, 12-step model, participants rebuild stability in their personal and professional lives, reconnect with family and community, and often become mentors themselves - fostering long-term engagement and sustainable impact.

What began as a drop-in center has evolved into an outstanding non-profit agency that provides extensive services to the community at large, as well as to addicted people and their families. The ARC ranks as one of the most respected and active recovery service resources in Middlesex County. As a nonprofit organization, the ARC provides individualized referral services, Recovery Coach appointments providing after-care and relapse prevention support, transportation to treatment, care bags providing essential needs, emergency sober housing rental assistance and hosts meetings 7 days a week providing over 25 meetings each week for people who seek peer support for recovery from substance use disorder.

Tonight we have some of the region's hottest comedians entertaining us for the evening, plus food and raffles. The Portuguese Club offers a light dinner menu and drink service during the event. Thank you for attending tonight and supporting the ARC. We are proud to have been a vital resource to the community for over 50 years. We will continue with your support and belief in our mission.

## OUR ENTERTAINERS

**Mark Riley** is an energetic Boston headliner with a unique perspective on everyday situations. Riley was once a professional ice hockey referee (he spent a very short time in the NHL) who also ran a Gymboree. The former runner-up in the Boston Comedy Festival headlines in Boston as well as playing top rooms in Las Vegas, Los Angeles and Atlantic City. Among those he's performed with are Steven Wright, Joe Rogan and Lenny Clarke. He headlines colleges and corporate shows as well and has worked as an actor in commercials, industrial films, and a hockey-themed comedic web series. He also hosts the podcast Chirping Zebras.

**Sam Pelletier** has been bringing his unique blend of observation and relatability to audiences for over a decade. Originally from the (somewhat) great state of Maine, Sam won the Cellar on Treadwell Competition in 2023, and was a finalist in the New England's Funniest Comedian Competition of 2021. He opened for national headliners including Shane Torres, Joe Bartnick, and Alex Edleman. Sam has been featured in the Boston Comedy Festival, Maine Comedy Festival, and Mutiny Radio Comedy Festival in San Francisco. His hobbies include hiking and being a good listener.

## OUR ENTERTAINERS

*Photo by Stephen Ide*

**Ethan Cannon** performs stand-up nightly around Boston and New England, at venues ranging from Off Cabot Comedy Club, the Comedy Studio, Don't Tell Comedy, and Improv Asylum. He recently performed in the Boston Comedy Festival as well as Last Comix Standing at Mohegan Sun's Comix Roadhouse.

*Photo by Stephen Ide*

Regular host **Dave Rattigan** performed last year in Dublin, Ireland, and he's also performed in Japan, at Fenway Park, The Cape Cod Melody Tent, South Shore Music Circus, a lumberyard, the lobby of an ad agency, a library, and several parking lots. "There's nothing funny about the way he looks, until he gives that deadpan look of his," popular blogger Ralph Fatello (*RalphsPic.com*) wrote. "His outward appearance is something out of a mature GQ magazine. He looks like a cross between a semi hip banker, and your mild-mannered father-in-law .... Dave is the master of

completely dismantling himself in front of a crowd of strangers. I'm always torn as to whether I should console him, or just laugh my ass off like everyone else ...." His stand-up has been played on SiriusXM Radio, he's performed on the syndicated Steve Katsos Show, and he's been featured on television commercials on NESN. He's a regular at the Hampton Beach (NH) and Cotuit comedy festivals and is part of the Ranting Parents Comedy Tour.

## Words from our patients

Dr. Becker is one of a kind.. She puts the patient's needs first above all. She genuinely cares about her patients and is a great listener. Your life will change under her care.

Dr. Becker is the absolute BEST doctor I have EVER met in my entire life. She helps to make a very difficult situation uplifting and as positive as possible. I You are not just another number with Dr. Becker. You are heard, understood, and cared about. I don't dread my visits with her like I do at the dentist or my physicals. I trust Dr. Becker with my entire being and I know that she is going to be the person to get me through this very difficult trial in my life. It took an incredible amount of courage and humility to step foot into a recovery program and I am 100% certain that I am where I need to be. I am safe. I am living my life like a regular person. I am receiving the best care a person could ever receive. If you or a loved one is battling any type of addiction I would bring them right over to Dr. Becker and you or your loved one will get your life back. She also offers really amazing alternatives that many other places don't offer. I absolutely love Dr. Becker and know that she is a healer.

This is where you go to maintain dignity through the humility of asking for help. You are treated like a person not a problem. Their dedication is tailored for individual success.
